Can we double check to make sure Oklahoma State is at the lunch? Administrator Pruitt is looking forward to seeing him.

Thanks, Mark

Sorry to have to circle back on this, but is there a final list of U.S. lunch invitees for tomorrow? I need to update the food waste participants on the agenda change and wasn't clear if Thomas Coon and Callie Babbitt were included in the end. Callie just sent me a note that said she was invited to the lunch by Professor Segre anyway. Also, one Firms rep (Marshal Salant) is not able to make the lunch, hoping it is OK for me to just invite Thomas Coon since it seems fairly informal. Please advise. Thanks!

I agree with Brianna that this makes sense – and I also would suggest moving up Mark and Fede to make it 18 from the U.S.

Mark, if you agree, please advise if you will close the loop with Fede directly or if you'd like us to do so by continuing this e-mail chain.

Many thanks...

Mark,

I don't know if you have closed the loop with Fede on this, we never heard back about how many slots we get. We have already invited the US business reps to the lunch so I would like to make sure they are included:

1. John Hopkins, Chairman, U.S. Chamber of Commerce & CEO, NuScale Power
2. Penelope Naas, President and Head of International Government Affairs, UPS
3. Gary Litman, Vice President, Global Initiatives, U.S. Chamber of Commerce
4. Jerome Peribere, President & CEO, Sealed Air
5. Marshall Salant, Global Head of Citi's Alternative Energy Finance (AEF) Group, Capital Markets Origination Division, CITI
6. Ted Monk, Vice President, Sustainability and Corporate Responsibility, Sodexo North America
7. Jon Hixson, Vice President of Government Relations, Yum! Brands

I already told S.E. Hoxworth we could take off the 2 University reps as we haven't yet invited them and doubt that Hodayah will be able to make it due to the negotiations, leaving

16 in the top priority list – does that sound ok? We could move some people up to make 20?

Ex. 6 - Personal Privacy we certainly can work to reduce the list of U.S. attendees but as we do so, we would appreciate guidance on the target number of seats.

Many thanks...

Mark

I need EPA help on this!

We need to reduce the number of people for the seated lunch! They will arrange a light lunch for the people "not at the table"... However, the list of people is HUGE and I am afraid I forgot somebody...! Please help me in reducing it! Should we invite all the US companies and universities?? ... al the security staff?? They have permission to host 50 people in total and we are 34!!

can you clear please before I send to FICO please?
